- vi. Bank may waive off any minor infirmity or non-conformity or irregularity in a bid, which does not constitute a material deviation.
- vii. If there is discrepancy between the unit price and total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price shall be corrected accordingly. In any case unit price cannot be increased & offered quantity cannot be decreased to correct the TCO.
- viii. If there is discrepancy between percentage and amount, the amount calculated on percentage basis will prevail.
- ix. If the bidder does not accept the correction of errors, the bid will be summarily rejected.
- x. **In all the above cases the TCO quoted as a 'Total Cost' in GeM would be the final price for evaluation purpose. However, TCO may be reduced to be in-line with unit price for order placement.**
- xi. Discrepancies if any, would be corrected as per the TCO without increasing any of the unit price and payment would be made on unit price only.
