NOTICE TO TENDERERS:

1. Sealed tenders should be addressed to **Zonal Manager, Zonal office, UCO Bank, Nagpur** and super scribed as **"TENDER FOR INTERIOR & ELECTRICAL FURNISHING WORK OF WANI BRANCH, DIST-YAWATMAL, Under Nagpur Zone** and sent as to reach this office not later than **5.00 PM on 27/10/2025**. Tender should be accompanied with **Earnest Money Deposit (EMD)** of **Rs. 20000=00 (Rupees Twenty Thousand Zero Hundred Only)** in the form of **Demand Draft in favour of UCO Bank, Zonal Office, Nagpur**. Tenders not accompanied with EMD shall be rejected and considered invalid. The earnest money shall be returned to the tenderer if the tender is not accepted but without any interest. EMD amount deposited by the tenderer, whose tender is accepted, shall be adjusted towards security deposit to be retained by the Bank for one year.
2. **Tender cost/EMD exemption will be as per government rules applicable to MSME with EMD exemption certificate from NSIC (The National Small Industries Corporation Ltd.).** Please submit relevant registration certificates in respective category & heads. If the registration is not found in suitable category, the tender shall be summarily rejected.
3. **The Contractors shall quote the exact working rates of items & no rebate / discount in percentages or amount shall be considered as it is an item rate tender with the price bid.** The rates quoted will only be taken into account. However during the period of negotiation if any as the authorities may deem fit to shall be considered during the process of negotiations while acceptance of the tender.
4. No tender will be received after **5.00PM On 27/10/2025**.
5. Tender will be opened at Nagpur Zonal office on **28/10/2025 at 5.00 PM** by the Zonal Manager or his nominee. **(Note:-The rates tendered by the contractors shall be valid for 90 days from the date of opening.)**
6. **The Zonal Manager, Zonal office, UCO Bank, Nagpur Zone** does not bind himself to accept the lowest or any tender and reserves the right to accept or reject any or all the tenders whether in whole or in part without assigning any reason for doing so. The owner reserves his rights to negotiate with the lowest or any other tender/s.
7. Each of the tender documents is required to be signed by the person or persons submitting the tender in token of his/ their having acquired himself/ themselves with the general conditions, articles of agreement, mode of measurements, schedule of probable quantities, site conditions and the time schedule etc. as laid down. Any tender with any of the documents not signed will be liable to be rejected.
8. Tenderer shall fill in rates for all items of work described in the Schedule -B. All entries must be made by hand and in ink. **The rates quoted for the items shall compulsorily be in "Figure" & "Words" in English.** In the event of discrepancy between the rates quoted in figures & words, the rates quoted in words, shall be binding. Tender not quoted in above said manner will be refused and will not be considered. Items against which no rate is entered by the tenderer will not be paid for by the Owner when. Executed and shall be deemed covered by the other rates in the Schedule-B. If any of the documents is missing or unsigned the tender shall be considered invalid.

U C O B A N K
N a g p u r Z o n a l O f f i c e , N a g p u r

9. All erasures and alterations made while filling the tender must be attested with initials of the Tenderer. Overwriting of figures is not permitted. Failure to comply with either of these conditions will render the tender invalid.
10. All the pages of the tender documents should be signed by the tenderer.
11. Within Seven days of the receipt of intimation from the Owner of acceptance of his/ their tender, the successful tenderer shall be bound to implement the contract by signing the agreement in accordance with the draft agreement and the conditions of contract with the owner.
12. The security deposit shall be kept with the Owner for a period of 12 months after the Architect issues the completion certificate which amount is not to bear interest.
13. The rates quoted by the contractor should include all charges for scaffolding materials labour, hire for any tools, marking out and clearing of the site as mentioned in the specifications. The rate quoted by the tenderer in the Schedule-B of probable quantities will be deemed to be for the finished work to be measured at site. The rates shall be inclusive of all VAT, sales tax, octroi duty; works contract tax, Provident Fund, Insurance etc. levied by any Government or any public body. The contractor shall abide by the rules of Minimum Wage Act and Child Labour Act and keep the work as required under the workman compensation act, labour laws etc. as prevailing.
14. The rate shall be binding to the Contractor, for all the tender items till the completion of the work Irrespective of variation in market rates of material and labor.
15. The calculations made by the tenderer should be based upon probable quantities of the several items of work, which are furnished for the tenderers convenience in the schedule B. It must be clearly understood that the contract is not a lump-sum contract that neither the probable quantities nor value of the individual and the aggregate value of the entire tender will form a part of the contract and that Architect doesn't in any way assure the tenderer or guarantee that the said probable quantities are correct or that the work would correspond thereto.
16. The items against which no quantity is shown in schedule-B for which tenderer is to quote his rates and the Owner at his description shall ask the contractor to execute those items if required and which shall be binding on the part of the contractor to execute those items at the rates quoted therein in the tender.
17. Special attention of the tenderer is drawn to the alternative items in the schedule of probable quantities. The rates and amount for these alternative items shall be duly filled in. The Architect reserves to himself the right to adopt any of the alternative items, either after scrutinizing and deciding upon the tenders or later when the work is being executed.
18. The successful tenderer should make his/ her own arrangement to obtain all materials required for the work.
19. The various materials stored on site shall be protected from the fire, floods or rains etc. and the contractor shall be responsible for any damage caused to the owner for the same.
20. The contractor shall allow enough facilities to the sub-contractors employed by the owner and should co-operate with them and that small holes etc. made by these sub-contractors to the structure shall be properly corrected by the general contractor without any prejudice and extra cost whatsoever.

U C O B A N K
N a g p u r Z o n a l O f f i c e, N a g p u r

21. **The bills shall be prepared by the contractor in the manner required by the Architect and should be submitted to him. The owner shall pay the contractor within the 15 days time from the issue of the certificate of payment by the architect. All payments by the owner under this contract shall be made at Nagpur Zonal Office.**
22. **The tender submitted on behalf of a firm shall be signed by all the partners/ directors of the firm or by a partner who has the necessary authority on behalf of the firm to enter into the proposed contract. Otherwise the owner may reject the tender.**
23. **The specifications that are not mentioned or listed in the tender shall conform to I.S.I. Specifications while having prior written consent of the Architect.**
24. **In case of dispute regarding quality of material, workmanship etc. shall be settled and accepted as final decision on the basis of test reports obtained from Visvesvaraya National Institute of Technology, Nagpur.**
25. **The contract shall be subject to Nagpur & Nagpur jurisdiction only.**
26. **The Bank Authorities at their discretion may delete any part of items or items in full as they may feel necessary during the course of execution and no compensation will be paid / claimed in this regard. The contractor shall not claim any compensation towards such items.**
27. **The Bank Authorities reserve the right to introduce or delete any part of items or items in full or at its discretion / change / modify the dates of submission / opening of tenders by issuing a corrigendum in respect of the particular tender.**
28. **Premises: - The work is to be carried out in the New Branch Premises & the time period provided for completion of work is inclusive of load shedding hours & aforesaid constraints. The contractor should make his own alternative arrangements at his own cost to compensate with load shedding hours & no additional remuneration shall be paid for such arrangements nor will any additional time be granted on this account.**
29. **Contractor is advised to visit branch before submitting the tender to ascertain the required civil related work.**
30. **Contractor must inform in writing to the Architect before executing any work that is not covered in Tender or any quantities of the tendered item that is increasing while executing the work. Prior permission from the Owner shall be obtained before executing any such item.**
31. **The Architects for this work is M/s VaastuVid Consortium, Plot no.305, Block-202, 4th Floor, Golden Palace Apt., Beside Sudama Talkies, WHC Rd., Dharampeth, Nagpur-10.**

I/ We hereby declare that I/We have read and understood the above instructions for the guidance of the Tenderer.
