

**LIST OF APPROVED MANUFACTURERS FOR ELECTRICAL WORKS****UCO BANK BUILDING**  
**SANSAD MARG NEW**  
**DELHI**

| S.NO. | DESCRIPTION                                  | MANUFACTURER'S NAME  |
|-------|--|--|
| 1     | MCB / RCCB / RCBO / DB                       | L&T / ABB / Legrand / Schneider/BCH  |
| 2     | Industrial outlet                            | L&T / ABB / Legrand / Schneider/BCH  |
| 3     | MCCB -MP For Detail ReferBOQ                 | ABB / L&T (D sine) / Schnieder / Siemens (3VL) / Legrand (DPX) / BCH         |
| 4     | MCCB-TM For Detail Refer BOQ                 | ABB / L&T(D sine) / Schnieder- CVS / Compact / Siemens / Legrand (DPX) / BCH |
| 5     | MPCB (Microprocessor)                        | ABB / L & T / Schnieder / Siemens / Legrand                                  |
| 6     | AIR CIRCUIT BREAKER                          | ABB / L&T (U power Omega) / Schnieder / Siemens / Legrand / BCH              |
| 7     | SWITCH FUSE UNIT WITH HRC FUSES              | L & T / Siemens / ABB / Schneider / BCH                                      |
| 8     | CONTACTORS / RELAYS                          | L & T / Siemens / ABB / Schneider / BCH                                      |
| 9     | Current Transformers                         | Kappa / Pragati / AE / Gilbert & Maxwell                                     |
| 10    | Voltage Transformers                         | Kappa / AE / Gilbert & Maxwell   |
| 11    | Ammeters / Voltmeters and metering equipment | L & T / Siemens / Automatic Electric / Neptune / Nippen                      |
| 12    | Selector Switches                            | Kaycee / Salzar / L&T  |
| 13    | LED Lamps                                    | L&T / Vaishno / Siemens  |
| 14    | Change Over Switches                         | L&T / Socomec / ABB  |
| 15    | PVC insulated Copper conductor wires         | Finolex / RR / Polycab / KEI   |
| 16    | PVC / XLPE INSULATED 11 KV / 1.1 KV CABLES   | Universal (Satna) / CCI / NICCO / Finolex / Polycab / KEI                    |

**LIST OF APPROVED MANUFACTURERS FOR ELECTRICAL WORKS**

| S.NO.                | DESCRIPTION   | MANUFACTURER'S NAME                                       |
|----------------------|---|---|
| 17                   | CONTROL CABLES / WIRES  | Universal (Satna) / CCI / NICCO / Finolex / Polycab / KEI |
| 18                   | H.V. CABLE TERMINAL JOINTS  | RAYCHEM / 3 M / M-seal                                    |
| 19                   | LUGS  | DOWELLS / 3 M / Comet                                     |
| 20                   | CABLE GLANDS  | COMET / GRIPPWEL  |
| 21                   | CABLE TRAY  | Indiana / Bharti / Slotco / Steelways/ Rico               |
| 22                   | Electronic Meters, Multi-Function Meter   | Schneider (CONZERV)                                       |
| 23                   | Metering system with software's   | Secure  |
| 24                   | Energy Analyzer (with RS 485 port)  | Enercon / L & T / CONZERV                                 |
| 25                   | 11 KV RMU Panel   | ABB / SCHNEIDER / SIEMENS                                 |
| 26                   | TRANSFORMERS  | CROMPTON / KIRLOSKER / VOLTAMP /                          |
| 27                   | Capacitor Heavy Duty for PFCorrection   | DUCATI / Epcos / ABB / L&T / Schneider                    |
| 28                   | APFC relay  | L & T / DUCATI / Seimens / ABB /<br>Schneider/NEPTUNE     |
|                      |   |   |
|                      |   |   |
| <b><u>NOTE :</u></b> |   |   |
| 1                    | The choice of the Final makes shall be made by the Owner / Consultant.                        |   |
| 2                    | The samples or Cat. No. of all type of switches & Others should be approved before execution. |   |
