

Request for Proposal (RFP)
For
**Supply, Commissioning, Maintenance &
Management of MPLS links
at branches**

Head Office-2
Department of Information Technology
5th Floor, 3 & 4 DD Block, Sector -1
Salt Lake
Kolkata-700 064

RFP REF NO: UCO/DIT/NW/520/2015-16 Date: 07/09/2015

Cost of the RFP document: - ₹ 5000/- (Rupees Five Thousand Only)

The information provided by the bidders in response to this RFP Document will become the property of the Bank and will not be returned. The Bank reserves the right to amend, rescind or reissue this RFP Document and all amendments will be advised to the bidders and such amendments will be binding on them. The Bank also reserves its right to accept or reject any or all the responses to this RFP Document without assigning any reason whatsoever.

This document is prepared by UCO Bank for its Supply, Commissioning, Maintenance & Management of MPLS links at branches. It should not be reused or copied or used either partially or fully in any form.

Disclaimer

While the document has been prepared in good faith, no representation or warranty, express or implied, is or will be made, and no responsibility or liability will be accepted by UCO Bank or any of its employees, in relation to the accuracy or completeness of this document and any liability thereof expressly disclaimed. The RFP is not an offer by UCO Bank, but an invitation for bidder's responses. No contractual obligation on behalf of UCO Bank, whatsoever, shall arise from the offer process unless and until a formal contract is signed and executed by duly authorized officials of UCO Bank and the Bidder.

OBJECTIVES

UCO Bank, a body corporate, established under the Banking Companies (Acquisition and Transfer of Undertakings) Act 1970, having its Head Office at 10, B.T.M. Sarani, Kolkata-700001, India, hereinafter called "the Bank", is one of the leading public sector Banks in India having more than 3000 branches spread all over the country.

Bank has set-up its own private MPLS based network for core banking application procuring Primary MPLS links from M/s BSNL/M/s MTNL at 2400 locations in last 3 years.

Now it is planned to commission MPLS Links from alternate MPLS service provider (other than BSNL/MTNL) at our 500 branches.

Part –I General Terms and Conditions

1.1 Introduction

UCO Bank invites sealed tenders comprising of Technical bid and Commercial bid from experienced selected bidders having proven capabilities of Supply, Commissioning, Maintenance & Management of MPLS links at branches. The Selected bidder is required to adhere to the terms of this RFP document and any deviations to the same shall not to be acceptable to UCO Bank.

The bidder (also called the vendor or bidder through this document) appointed under the RFP document shall own the single point responsibility for fulfilling all obligations and providing all deliverables and services required for successful implementation of the project.

Unless agreed to specifically by the Bank in writing for any changes in the document issued, the bidder responses should comply with the scope of work.

Unless expressly overridden by the specific agreement to be entered into between the Bank and the bidder, the RFP document shall be the governing document for arrangement between the Bank and the Selected bidder in terms of this RFP documents.

The RFP document may be obtained from UCO BANK, Department of Information Technology, 5th Floor, 3 & 4 DD Block, Sector -1, Salt Lake, Kolkata-700064 on working days in person on submission of cost of the tender document. Also the RFP document may be downloaded from our website www.ucobank.com. The bidders downloading the document from Bank's website www.ucobank.com must pay the cost of the document, in a separate cover and properly superscribed, at the time of submission of the bids.

The details are given below:

Bids to be submitted	Tender box placed at above address

Any bid received after last date and time of the receipt of bids prescribed as mentioned above, will not be accepted by the Bank.

The Bid document shall be in two parts viz. Technical Bid & Commercial Bid. Both the bids must be submitted in separate sealed envelopes super scribing "Technical Bid for Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank" on top of the envelope containing Technical Bid & "Commercial Bid for Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank" on top of the envelope containing Commercial Bid. These two separate sealed envelopes should be put together in another sealed envelope super scribing "Bids for Supply, Commissioning, and Maintenance & Management of MPLS links at branches for UCO Bank" mentioning reference number and date given hereinabove. If the cover/envelope are not sealed & super scribed as required, the Bank will assume no responsibility for its misplacement or premature opening.

The bidders should take care of submitting the bids properly filed so that the papers are not loose. The bid documents should be properly numbered and submitted in a file in proper manner so that the papers do not bulge out and tear during scrutiny.

Bidders are requested to participate in the tender process strictly according to the time schedule mentioned above.

The technical bid will be opened first and only those bidders, deemed eligible as per the eligibility criteria mentioned in this RFP, will be shortlisted for technical evaluation; the qualified bidders will be notified separately. Commercial Bid of only those short-listed-bidders, who have qualified in Technical evaluation, will be opened by the Bank the date of which will be notified separately.

The Bids should be addressed to:

Deputy General Manager (IT, BPR & BTD)
UCO Bank
Head Office-2
Department of Information Technology
5th Floor, 3 & 4 DD Block, Sector -1
Salt Lake
Kolkata - 700 064

UCO Bank is not responsible for non-receipt of response to RFP within the specified date and time due to any reason including postal holidays or delays. In case the specified date of submission & opening of Bids is declared holiday in West Bengal under NI Act, the bids will be received till the specified time on next working day and Technical Bid will be opened at same time on that day.

Bids once submitted will be treated as final and no further correspondence will be entertained on this. No bid will be modified after the target date & time for submission of bids. No bidder shall be allowed to withdraw the bid.

1.2 Submission of Bid

- 1.2.1 Technical Bid should be duly sealed and super scribed as "Technical Bid for Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank".
- 1.2.2 Bid should comply with the Scope of work as specified hereinafter.
- 1.2.3 The Technical bid should be complete in all respects and contain all information asked for, except prices. The documentary proof in support of all Eligibility Criteria should be submitted along with technical Bid.
- 1.2.4 The Technical bid should have compliance chart as per Annexure- B including documentary proof in support of Eligibility Criteria and Annexures C, D, E, F,G,H,I(Masked price),J.
- 1.2.5 Commercial bid duly sealed and super scribed as "Commercial Bid for Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank".
- 1.2.6 The Commercial bid should have compliance chart as per Annexure-B and including of Annexures I.
- 1.2.7 Incomplete bids or bids not conforming to the terms and conditions are liable for rejection by the Bank.
- 1.2.8 At any time, prior to deadline for submission of RFP, UCO Bank may modify any of the terms & conditions and technical specifications at its

sole discretion and the same will be available on Bank's website and the amendments shall be binding on the bidder. In case of any amendment, UCO Bank may extend the deadline for submission of response to this RFP in order to provide a reasonable time to the prospective bidders.

- 1.2.9 UCO Bank reserves the right to seek clarification or call for supporting documents from any of the bidders, for which the concerned bidder need to submit the documentary evidence(s) as required by UCO Bank.
- 1.2.10 Any Technical Bid, submitted with incorrect information will be liable for rejection. Further, if any bidder is found to have submitted incorrect information at any time, he may be debarred from participation in the future tendering processes of Bank.
- 1.2.11 The Bank does not bind itself to accept the lowest or any Bid and reserves the right to reject any or all Bids at any point of time prior to the issuance of purchase order without assigning any reasons whatsoever.
- 1.2.12 The Bank reserves the right to resort to re-tendering without providing any reason whatsoever. The Bank shall not incur any liability on account of such rejection.
- 1.2.13 The Bank reserves the right to modify any terms, conditions or specifications for submission of bids and to obtain revised Bids from the bidders due to such changes, if any at any time prior to completion of evaluation of technical bids from the participating bidders.
- 1.2.14 Canvassing of any kind or Bid submitted with false information will be a disqualification.
- 1.2.15 The bidder is required to guarantee that exchange rate fluctuations, changes in import duty and other taxes will not affect the Rupee value of the commercial bid over the price validity period.
- 1.2.16 The bidder shall keep the price valid for a period of 1 year from the date of RFP Response submission process closes for any new link. Bank may procure additional links (upto 50%) during the period to meet it's business requirement. **A declaration in this regard should be submitted as per Annexure-E.**
- 1.2.17 **However the rate for 500 MPLS link as specified in the Annexure-J and any additional MPLS link procured during rate valid period should be valid for 5 years (1 years+ 4 years).**

- 1.2.18 Prices quoted by the Bidder shall be in Indian Rupees, firm and not subject to any price escalation, if the order is placed within the validity period.
- 1.2.19 Further, subsequent to the orders being placed, the Bidder shall pass on to the Bank all fiscal benefits arising out of reductions in Government levies viz. Sales tax, excise duty, custom duty, etc.
- 1.2.20 The Bank shall be under no obligation to accept the technical solution offered or the lowest or any other offer received in response to this RFP notice.
- 1.2.21 The Bank reserves the right to reject any or all offers based on its own evaluation of the offers received, or on the basis of stability, capabilities, track records, reputation among users and other similar features of a bidder. When the Bank makes any such rejection, the Bank will not be bound to give any reason and/or justification in this regard to the bidder. The Bank further reserves the right to cancel the entire RFP process without assigning any reasons whatsoever at any stage of the RFP process without assigning any reason whatsoever.
- 1.2.22 The Bank reserves the right to modify any terms, conditions and specifications of this request for submission of offer and to obtain revised bids from the bidders with regard to such changes. The Bank reserves its right to negotiate with any or all bidders. The Bank reserves the right to accept any bid in whole or in part.
- 1.2.23 Bids once submitted shall not be returned to the Bidder in future.
- 1.2.24 The technical bid shall be submitted strictly in conformity with the Scope of Work.
- 1.2.25 The Bank expects the selected bidder to adhere to the terms of this RFP document and would not like or accept any deviations to the same.

1.3 Cost of tender Documents

The intending bidders should pay the Cost of tender Documents of **₹ 5000/- (Rupees five Thousand only)**. The Cost of tender Documents shall be paid by Demand Draft / Banker's Cheque / Pay Order drawn in favour of '**UCO Bank**' payable at **Kolkata**. The Cost of tender Document is non-refundable. The bidder downloading the tender document from Bank's website www.ucobank.com must pay the cost of the tender document, in a separate cover, at the time of submission of the bids.

1.4 Earnest Money Deposit

The Bidder must submit Earnest Money Deposit (EMD) along with the Technical Bid in the form of Bank Guarantee having validity period for 1 year from the date of opening of Technical Bid in the format given in **Annexure D**. The EMD amount is **₹ 20 Lacs (Rupees Twenty Lacs Only)** issued by any scheduled commercial bank.

Non-submission of EMD will lead to outright rejection of the bid of the bidder. The EMD of unsuccessful bidders will be returned to them on completion of the tender process. The EMD of successful bidder will be returned on submission of Performance Bank Guarantee as specified hereunder.

The EMD made by the bidder will be forfeited if:

- 1.4.1 The bidder withdraws his tender before processing of the same.
- 1.4.2 In the case of a successful bidder, if the bidder fails in accordance with any Terms and Conditions or any requirement as specified in this document.
- 1.4.3 The selected bidder withdraws his tender before furnishing an unconditional and irrevocable Performance Bank Guarantee.
- 1.4.4 The bidder violates any of the provisions of the terms and conditions of this tender specification.

1.5 Rejection of the Bid

The Bid is liable to be rejected if:

- 1.5.1 The document doesn't bear signature of authorized person on each page signed and duly stamp.
- 1.5.2 It is received through Telegram/Fax/E-mail.
- 1.5.3 It is received after expiry of the due date and time stipulated for Bid submission.
- 1.5.4 Incomplete Bids, including non-submission or non-furnishing of requisite documents / Conditional Bids/ incorrect information in bid / Bids not conforming to the terms and conditions stipulated in this Request for proposal (RFP) are liable for rejection by the Bank.
- 1.5.5 Bidder should comply with all the points mentioned in the RFP. Noncompliance of any point will lead to rejection of the bid.
- 1.5.6 Any form of canvassing/lobbying/influence/query regarding short listing, status etc. will be a disqualification.

1.6 Pre Bid Meeting

The queries for the Pre-bid Meeting should be reached in writing or by email on or before **14.09.2015** on e-mail: **hodit.network@ucobank.co.in**. It may be noted that no query from any bidder shall be entertained or received after the above mentioned date. Queries raised by the prospective bidder and

the Bank's response will be hosted at Bank's web site. No individual correspondence will be accepted in this regard.

Only authorized representatives of bidder will be allowed to attend the Pre-bid meeting.

1.7 Modification and Withdrawal of Bids

No bid can be modified by the bidder subsequent to the closing date and time for submission of bids. In the event of withdrawal of the bid by successful bidders, the EMD will be forfeited by the Bank.

1.8 Introduction and Disclaimer

This Request for Proposal document ("RFP") has been prepared solely to enable UCO Bank ("Bank") in defining the requirements for Supply, Commissioning, and Maintenance & Management of MPLS links at branches for UCO Bank.

The RFP document is not a recommendation, bid or invitation to enter into a contract, agreement or other arrangement in respect of the services.

1.9 Information Provided

The RFP document contains statements derived from information that is believed to be reliable at the date obtained but does not purport to provide all of the information that may be necessary or desirable to enable an intending contracting party to determine whether or not to enter into a contract or arrangement with Bank in relation to the provision of services. Neither Bank nor any of its employees, agents, contractors, or advisers gives any representation or warranty, express or implied as to the accuracy or completeness of any information or statement given or made in this RFP document.

1.10 For Respondent Only

The RFP document is intended solely for the information to the party to whom it is issued ("the Recipient" or "the Respondent") and no other person or organization.

1.11 Confidentiality

The RFP document is confidential and is not to be reproduced, transmitted, or made available by the Recipient to any other party. The RFP document is provided to the Recipient on the basis of the undertaking of confidentiality given by the Recipient to Bank. Bank may update or revise the RFP document or any part of it. The Recipient acknowledges that any such revised or amended document is received subject to the same terms and

conditions as this original and subject to the same confidentiality undertaking.

The Recipient will not disclose or discuss the contents of the RFP document with any officer, employee, consultant, director, agent, or other person associated or affiliated in any way with Bank or any of its customers, suppliers, or agents without the prior written consent of Bank.

1.12 Disclaimer

Subject to any law to the contrary, and to the maximum extent permitted by law, Bank and its officers, employees, contractors, agents, and advisers disclaim all liability from any loss or damage (whether foreseeable or not) suffered by any person acting on or refraining from acting because of any information, including forecasts, statements, estimates, or projections contained in this RFP document or conduct ancillary to it whether or not the loss or damage arises in connection with any negligence, omission, default, lack of care or misrepresentation on the part of Bank or any of its officers, employees, contractors, agents, or advisers.

1.13 Costs Borne by Respondents

All costs and expenses incurred by Recipients / Respondents in any way associated with the development, preparation, and submission of responses, including but not limited to attendance at meetings, discussions, demonstrations, etc. and providing any additional information required by Bank, will be borne entirely and exclusively by the Recipient / Respondent.

1.14 No Legal Relationship

No binding legal relationship will exist between any of the Recipients / Respondents and Bank until execution of a contractual agreement.

1.15 Errors and Omissions

Each Recipient should notify Bank of any error, omission, or discrepancy found in this RFP document.

1.16 Acceptance of Terms

A Recipient will, by responding to Bank RFP, be deemed to have accepted the terms as stated in the RFP.

1.17 RFP Response

If the response to this RFP does not include the information required or is incomplete or submission is through Fax mode or through e-mail, the response to the RFP is liable to be rejected.

All submissions will become the property of Bank. Recipients shall be deemed to license, and grant all rights to, Bank to reproduce the whole or any portion of their submission for the purpose of evaluation, to disclose the contents of the submission to other Recipients who have registered a submission and to disclose and/or use the contents of the submission as the basis for any resulting RFP process, notwithstanding any copyright or other intellectual property right that may subsist in the submission or Banking documents.

1.18 RFP Response Validity Period

RFPs response will remain valid and open for evaluation according to their terms for a period of at least **1 year** from the time the RFP response submission process closes.

1.19 Notification

Bank will notify the Respondents in writing as soon as possible about the outcome of the RFP evaluation process, including whether the Respondent's RFP response has been accepted or rejected. Bank is not obliged to provide any reasons for any such acceptance or rejection.

1.20 Language of Bids

The bid, correspondence and supporting documents should be submitted in English.

1.21 Indemnity

The bidder shall indemnify the Bank and be liable for any loss or damage suffered by the Bank due to malfunctioning of the system as supplied and installed by them. The total liability of the selected bidder shall not exceed the total cost of the order value.

1.22 Authorized Signatory

The selected bidder shall indicate the authorized signatories who can discuss, sign negotiate, correspond and any other required formalities with the bank, with regard to the obligations. The selected bidder shall submit, a certified copy of the resolution of their Board, authenticated by Company Secretary, authorizing an official or officials of the company to discuss, sign with the Bank, raise invoice and accept payments and also to correspond. **The bidder shall furnish proof of signature identification for above purposes as required by the Bank.**

PART –II

2.1 Eligibility Criteria

The eligibility criteria to participate in bidding process are mentioned below. Only those bidders, who satisfy all the eligibility criteria as mentioned herein below, may respond. Document in support of all eligibility criteria are required to be submitted along with the Technical Bid.

Sl. No.	Pre-Qualifying Criterion	Documents to be submitted
1	The bidder should be registered as a company in India as per Company Act 1956.	Copy of the Certificate of Incorporation issued by Registrar of Companies and full address of the registered office
2	The bidder should have had an annual turnover of more than Rs. 300 Crores during each of the last three financial years as evidenced by the audited accounts of the company / division.	Copy of the audited Balance Sheets for the preceding three years (i.e. 2012-13, 2013-14 and 2014-15).
3	The bidder should have made operating profit in any one of the last three financial years (2012-13, 2013-14 and 2014-15)	Copy of the audited Balance Sheets for the preceding three years (i.e. 2012-13, 2013-14 and 2014-15).
4	The bidder should be a Telecom Service Provider and should have a valid DoT, Indian Government License to provide National Long Distance services in India. The validity of the license should be more than five years from the date of this RFP. Should be capable of providing Layer 3 MPLS-VPN through wired or wireless links.	Copies of the licenses to be provided along with self-attestation by the authorized signatory with company seal.
5	The bidder should have commissioned and running at least 500 MPLS links over wired/wireless (offered media) as last mile in a Public / Private Sector Bank / Financial Institutions / Government Organization within India as on RFP submission date.	Purchase order and execution certificate from existing customer(s).
6	Bidder should have an	Declaration by the bidder that they

	experience of minimum 3 years in providing MPLS VPN connectivity in India.	have the required experience.
7	Bidder should have minimum 50 nos. of MPLS POPs across India	Necessary address & contact details to be submitted.
8	Bidder should have minimum feasibility of 100 location out of 500 location as per Annexure-J	Declaration by the bidder with feasibility report.
9	The Bidder should have their own & independent full-fledged "Network Management Centre (NOC/NMC)", round the clock (24x7x365) manned by skilled & technical manpower, for efficient centre & remote monitoring, configuration, diagnose, troubleshooting and performance management of backbone network and last mile network of customers.	Necessary details such as location details, Technology used & resources deployed etc., to be submitted.
10	The Bidder should have preferably service support center in all state capitals and Undertake to provide seamless service to branches from the service support centers.	List of Support Service Centre with Address & contact details, Manpower Strength, Value of Stocks of Spares, Model and type of WAN devices serviced etc. should be specified in Annexure H.
11	The bidder should not have been blacklisted /debarred for corrupt and fraudulent practices by Govt. organizations.	Self-declaration on the letter head.

Part –III

3.1 Evaluation Criteria

The objective of evolving this evaluation methodology is to facilitate the selection of the most quality-sum-cost effective solution that appropriately meets the requirements of the Bank as identified in this RFP.

There would be a three (3) stage evaluation process.

The Stages are:

- I) Eligibility Criteria Evaluation
- II) Technical Evaluation
- III) Commercial Evaluation

3.1.1 Eligibility

The Eligibility would be evaluated first for the participating bidders. The bidders who would qualify all Eligibility Criteria as mentioned in clause 2.1, will be shortlisted for the Technical bid evaluation. A detailed techno-commercial evaluation would be undertaken for eligible bidders.

3.1.2 Technical Evaluation

In Technical evaluation process, the technical bid of only eligible bidders as per Eligibility Criteria in Part II, Clause 2.1 would be evaluated. The Technical evaluation will be done on the basis of comply chart provided by bidder as per Scope of work in Part IV and Technical requirements as per Annexure – G, H and J. The Bidder should comply all points in scope of work in Part IV and all technical requirements in Annexure – G.

Non-compliance of any point either in scope of work or any technical requirements in Annexure G may lead to rejection from the further bidding process. After technical evaluation commercial bids of only technically qualified bidders will be opened.

Based on the feasibility report to be submitted by the bidder, weightage will be given in technical evaluation as per following manner:

Sl.	Type of link	Weightage
1	MPLS link with wired (copper / OFC) last mile per link	1.0
2	MPLS link with wireless (RF / wireless) last mile per link	0.5

The technical score = (feasible quantity X weightage) will be normalized to Technical Evaluation score as mentioned below:

Technical Evaluation score = (Technical Score / 500)*100

3.1.3 Commercial Evaluation

The Commercial Bids of only technically qualified bidders will be opened and evaluated by the Bank and the evaluation will take into account the following factors:

- 3.1.3.1 Commercial bid with the lowest cost may be given a financial score of 100 and other bids given financial scores that are inversely proportional to their prices as mentioned below:

Commercial Evaluation Score = (Lowest cost bid/ Cost of bid)*100

- 3.1.3.2 **The Technical Evaluation Score will be allotted weightage of 70% while the Commercial Evaluation Score will be allotted weightages of 30%.**

- 3.1.3.3 The total score, both technical and financial, shall be obtained by weighing the feasibility and cost scores and adding them up.

- 3.1.3.4 On the basis of the combined weighted score for feasibility and cost, the bidder shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of feasibility and cost will be ranked as H1 followed by the proposals securing lesser marks as H2, H3 etc. **Bank may go for price negotiation with H1 bidder.**

- 3.1.3.5 The H1 vendor will be awarded for providing MPLS links in the branches. If, H1 bidder is not feasible in all 500 branches, remaining branches will be awarded to H2 bidder, where they are feasible and subject to the acceptance cost of H1 bidder (negotiated rate) or own cost (based on link type), whichever is lower. If, some more branches will be left after awarding to H1 & H2, the branches will be awarded to H3 or H4 bidder in similar method as of H2. **This case will be consider in case of minimum 50 distinct MPLS links should be feasible for H2 or H3 and so on only.**

- 3.1.3.6 In case there is a variation in value between numbers and words; the value mentioned in words would be considered.

3.1.3.7 The Bidder needs to provide Unit costs for link and services; unit rates with applicable taxes would be considered for the TCO calculation purposes.

3.1.3.8 In the event the vendor has not quoted or mentioned the component or services required, for evaluation purposes the highest value in the submitted bids for that particular link type would be used to calculate the TCO. For the purposes of payment and finalization of the contract, the value of the lowest bid would be used.

Example:

Technical Evaluation

Bidder	Nos. of branches are feasible in wired link (Weightage =1)	Nos. of branches are feasible in wireless link (Weightage =0.5)	Total Technical Score	Total Technical Evaluation Score
A	300	200	400	80
B	200	300	350	70
C	200	200	300	60
D	100	300	250	50

Commercial Evaluation

Bidder	Nos. of branches are feasible in wired link	Unit cost of Wired MPLS link per year	Total annual cost of Wired MPLS link	Nos. of branches are feasible in wireless link	Unit cost of Wireless MPLS link per year	Total annual cost of Wireless MPLS link	Total annual cost of MPLS link
A	300	25000	75,00,000	200	20000	40,00,000	1,15,00,000
B	200	24000	48,00,000	300	20000	60,00,000	1,08,00,000
C*	200	26000	52,00,000	200	22000	44,00,000	96,00,000
D*	100	25000	25,00,000	300	22500	67,50,000	92,50,000

* As Bidders C & D unable to provide feasibility of all 500 locations, they have quoted in commercial bids for 400 locations. In these cases, the highest unit cost of any link amongst all the bidders will be loaded for the remaining quantity for C & D bidders.

Bidder	No. of 30 MPLS Backhaul Link	Unit cost of Backhaul link including one-time cost and taxes	Total cost of Backhaul link including one-time cost and taxes
A	2	2,00,000	4,00,000
B	2	2,25,000	4,50,000
C	2	1,50,000	3,00,000
D	2	1,75,000	3,50,000

Normalisation

Bidder	Cost quoted for nos. of links	Cost to be loaded for nos. of links	Highest unit cost	Loading cost to the commercial bid	Total cost of Commercial bid
A	500	-			1,15,00,000
B	500	-			1,08,00,000
C	400	100	26000	26,00,000	1,22,00,000
D	400	100	26000	26,00,000	1,18,50,000

Commercial Score

Bidder	Total cost of Commercial bid	Commercial Evaluation score
A	119,00,000	94.54
B	112,50,000	100.00
C	125,00,000	90.00
D	122,00,000	92.21

Award Criteria

Bidder	Technical Evaluation score	Technical bid weightage 70%	Commercial Evaluation score	Commercial bid weightage 30%	Total score	Rank
A	80	56%	94.54	28.36%	84.36%	H1
B	70	49%	100.00	30.00%	79.00%	H2
C	60	42%	90.00	27.00%	69.00%	H3
D	50	35%	92.21	27.66%	62.66%	H4

The bidder with the highest score will be declared as H1 for implementing 500 links.

PART –IV SCOPE OF WORK

The scope of services for the Supply, Commissioning, and Maintenance & Management of MPLS links at branches is as follows:

- 4.1 Bidder should provide MPLS feasibility report for 500 branches as per list mentioned in Annexure J. The links will be used either primary or back up of existing MPLS links of BSNL/MTNL.
- 4.2 Bank prefers wired connectivity (fiber/copper) as last mile at branches. In case of non-feasibility of wired media, the Bank shall consider the stable wireless technology (RF / WIMAX) with licensed band that has been successfully implemented in private/public sector bank/Financial Institution/ Govt. of India.
- 4.3 If the last mile is on wireless, bidder has to ensure that no other Radio equipment causes interference to wireless signals used for Bank's connectivity. And the Radio equipment should not be able to trap the signals used for bank's network.
- 4.4 The wireless links should not be of following technology Mobile network technology i.e. 4G, 3G, GPRS, EDGE & CDMA and VSAT network technology. Further, any un-licensed band wireless link will not be considered.
- 4.5 For the pole to be installed in the branch roof top for Wireless link, the height of pole should not be more than 6 meters.
- 4.6 Bidder should take necessary landlord permission (if required) for installation of outdoor unit, in case of wireless link.
- 4.7 If selected, the bidder shall have to provide the MPLS link in respective branches as per the feasibility report to be submitted along with RFP. Any deviation e.g. wired to wireless, increase in pole height, declared as non-feasible, etc. from the feasibility report will not be accepted. Selected bidder shall be penalized for the deviation.
- 4.8 In order to deliver more links on wire media, the bidder can avail third party network infrastructure other than M/s BSNL & M/s. MTNL at last mile network. However the ownership, SLA maintenance, data security & confidentiality of the network links have to be ensured by the bidder. The total responsibility of Liaising, commissioning, maintaining the link including all the commercials involved should be taken care by the bidder.

- 4.9 The MPLS network of bidder should not be linked with any type of network from BSNL/MTNL at core / distribution / access level at any location.
- 4.10 The backhaul link to be terminated at Bank's data centre at Bangalore & Disaster Recovery Center at Kolkata should be of Optical Fibre media with self-healing ring based architecture. The last mile should be coming via two different physical paths. **A diagram showing path redundancy at our data centre should be submitted with technical bid.** Any cross-connect charges, if required to terminate the link at our Bangalore Data center, will be borne by Bank.
- 4.11 The connectivity provided by the bidder has to be Layer 3 MPLS solution on dedicated ports with 1:1 full duplex committed information rate with end point as Ethernet. The circuit should be available in full duplex mode with sending and receiving available on the same circuit. (For eg. - On a 128 Kbps circuit, 128 Kbps sending and 128 Kbps receiving should be possible simultaneously).
- 4.12 Selected bidder shall provide committed bandwidth at each location and make it available continuously. Bidder should ensure that committed bandwidth subscribed by Bank is always available for use. Bank may test the load on the links on time to time. In case of bandwidth subscribed by the branch is not available at any time, the duration of non-availability of committed bandwidth will be treated as downtime of the link. Penalty on downtime will be enforced accordingly.
- 4.13 A separate VPN is to be created only for Bank network and in no way the VPN should be shared with other customers sharing the MPLS backbone. Bank MPLS Network must be accessible to Bank nodes only. Bank has implemented IPSEC VPN in its existing network. Bank will also run IPSEC VPN on this MPLS link and there should not be any dependency from bidder/ service provider on this implementation while integrating their MPLS network. Further, there should not be any dependency on the service provider if Bank decides to implement other VPN variants like GETVPN, DMVPN or any such technology.
- 4.14 The initial bandwidth of each MPLS link at branch end should be 128 Kbps according to the bandwidth of existing primary MPLS links as mentioned in Annexure -J. The bandwidth must be capable of upgrading at a later stage as and when required by the bank.
- 4.15 Bank may enhance the bandwidth of a particular link on demand basis.
- 4.16 The bandwidth of backhaul link is factored as 30 Mbps and bidder to quote the cost the same in commercial bid. However order for

backhaul links will be placed based on 50% bandwidth of total bandwidth of MPLS links provided by bidder.

- 4.17 The MPLS VPN network of bidder should be fully isolated from Internet traffic even if running on the same core/backbone. It is desired that same PE Router does not run both customer MPLS VPN traffic and Internet traffic. The MPLS-VPN network offered to the Bank should not carry any internet routes. Service provider has to provide network topology showing how internet is provided on MPLS cloud.
- 4.18 Branches connected through bidder MPLS should communicate each other directly without coming to Data Centre i.e. any to any communication.
- 4.19 Bidder needs to have a co-ordination with the existing system integrator M/s HP for integrating with present system for the branches to function smoothly.
- 4.20 Bank desires to subscribe MPLS connectivity for the branches / offices across the country; hence the selected bidder should work seamlessly throughout the country.
- 4.21 The bidders are expected to do a site survey for feasibility and for positioning of the terminating equipment. They should clearly state the equipment that will be deployed with its physical, electrical and any other related equipment. The charges towards cabling & other activities should be included in the cost at link.
- 4.22 Any extra material required for the project execution not mentioned in the commercial bid, shall be supplied and deployed by the bidder at no extra cost to Bank.
- 4.23 Bidder must ensure that it will use products that are intrinsically safe and are approved for use in these locations. It must adhere to Government of India safety regulation and should use earthing for all its masts.
- 4.24 Bidder will monitor the links and Bidder must have own Network Operation Centre (NOC) for monitoring of the Network. Bidder will monitor all the links from their NOC through NMS and submit the reports like Uptime, Bandwidth utilization, Link error, latency, etc on monthly basis and as per the requirement. Bank will provide the SNMP access (read only) of the router for monitoring of the link.
- 4.25 Besides monitoring from NOC, bidder should provide Manpower for monitoring links daily basis during 9 A.M to 9 P.M at UCO Bank NOC Centre as per following criteria.

Link	Manpower
Between 50 to 100	1
Between 100 to 200	2
Between 200 to 350	3
Between 350 to 500	4

- 4.26 Bidder should log a call automatically in case of any issue without waiting for customer complain and should take the necessary action for restoration of the same. Bidder should also inform to Bank through mail or SMS.
- 4.27 Supply, installation and configuration of WAN end equipment like modems, last mile equipment etc. would be done by bidder to provide the solution. IP address used on UCO bank end shall remain same as per the current schema implemented in UCO Bank at all the locations (which shall be shared to the successful bidder).
- 4.28 The prospective service provider shall establish the MPLS-VPN Network and should be capable of maintaining it for a minimum period of 1 year initially and then subsequent extension for 4 years based on the performance of the network link.
- 4.29 The bidder shall keep the price valid for a period of 1 year from the date of RFP Response submission process closes. Bank may procure additional links (upto 50%) during the period to meet its business requirement.
- 4.30 The proposed network by the bidder should support:
- All web and client –server based application
 - Video Conferencing
 - Voice over IP (VOIP)
 - End to end QOS (Quality of Service)
 - IPsec
- 4.31 The MPLS VPN should support any to any connectivity and should be a closed user group for Bank and should not have any physical and logical interference with other customers of the Internet route/traffic
- 4.32 The architecture used for the complete solution should be end to end enabled with layer-3 routing domain (end to end transparent layer-3 routing using static and dynamic routing).
- 4.33 The solution should provide end to end transparent data reachability of data, voice, video etc. (no filter of traffic from SP).
- 4.34 The bidder should provide Ethernet connectivity over RJ45 interface to connect Bank's branch router to the MPLS network as well as at data

centres also. Cables with required interfaces have to be arranged by the bidder.

- 4.35 Bidder should provision all equipment required to provide the wireless connectivity at branch/office for getting usable wireless signal strength i.e. internal/external cabling and antenna etc.
- 4.36 Bidder has to replace/repair faulty/damaged equipment at the bidder's own cost, irrespective of the reason of fault/damage, during the contract period. However, the "force majeure" clauses will apply. In any case, the bidder will have to arrange for replacement of the faulty/defective equipment, asap. External antennas should have proper lightning conductors, wherever necessary.
- 4.37 Bidder shall meet all the Govt. or other Regulatory directions/requirements and ensure its compliance.
- 4.38 Latency should not be more than 70 ms (End to End) for a 1500 byte packet size measured for a minimum of 1000 packets.
- 4.39 Average end to end packet loss should not be more than one in 1,000 for wireless connectivity with IMIX packets measured for a minimum of 1000 packets.
- 4.40 Average Jitter of the connectivity should be less than 30ms measured for a minimum 1000 packets.
- 4.41 Minimum MTU (maximum transmission unit) size should be 1500 bytes.
- 4.42 The connectivity should be capable of provide end to end Quality of Service (QoS).
- 4.43 The connectivity should be capable of provide End to End Differentiated Services Code Point (DSCP) and Class of Service (CoS) continuation.
- 4.44 Bidder should use Simple Network Management Protocol version 2 & 3 (SNMP v2 & v3) managed devices for end to end communication from the branch to data centre of Bank for the proposed wireless solution
- 4.45 Bidder's network should support dynamic routing protocols like Open Shortest Path First (OSPF), Border Gateway Protocol (BGP) etc.
- 4.46 Bidder's network should support access control list (ACL) Support ,SNMPv2 & v3 support Network Time Protocol Version 4 (NTPv4), Syslog, Ping, Trivial File Transfer Protocol (TFTP), Secure Shell version 2 (SSHv2) and Internet Protocol version 6 (IPv6) support.

- 4.47 The network of the bidder shall be capable of handling incidents like distributed denial of service (DDOS), Brute force attack etc.
- 4.48 Bank and/or third party consultants hired by Bank should have rights to audit/review the whole setup of the bidder catering to Bank's application
- 4.49 The proposed solution should be IPv4 and IPv6 compliant.
- 4.50 Bidder's network should support Incident management: Prevention mechanism for mis-configuration, Alert mechanism should be in place for any incident occurred etc., Every incident reported should be notified to Bank and documented, System should have capability to send alerts through email and SMS to respective authorities/stakeholders.
- 4.51 Network devices should be updated with latest firmware and security patches. Process for performing update should be maintained and approved by Bank.
- 4.52 In case of radio frequency (RF) connectivity, bidder may provide point to point or point to multi point connectivity on WiMAX, provided it adheres to the terms and conditions mentioned in the RFP, like committed bandwidth, security parameters etc.
- 4.53 In future, if the bidder gets involved in Regulatory issues / Licensing issue with any Govt. /Law enforcing agency/ Regulatory authorities , it is the responsibility of Bidder to replace / substitute the wire/wireless Technology at no additional cost to the Bank without compromising SLA and security.
- 4.54 The service provider shall execute a) Service Level Agreement (SLA), which must include all the services and terms and conditions of the services to be extended as detailed herein, and as may be prescribed or recommended by the Payment will not be released in absence of above signed agreement.
- 4.55 Security being prime concern, Solution should not breach the security of any other installations of Bank in any way.
- 4.56 Bidder should have the facility to prevent DDOS attacks or other attacks on the MPLS link. Also to ensure that adequate protection on the MPLS link against any possible known security flaws will be taken care at their end.
- 4.57 During the currency of the contract, the vendor should upgrade the system / offered Link, if better technology available at no additional cost.

PART-V

5.1 Order details

The purchase order will be placed by the Bank time to time from it's Head Office, DIT in the name of selected bidder as per requirement. The payment will be made by Head Office, DIT and the Performance Bank Guarantee for each order will be required to be submitted in the same office.

5.2 Performance Bank Guarantee

The Selected bidder, within 30 days from the date of each purchase order will have to furnish a Performance Bank Guarantee, format as Annexure A, issued by any scheduled commercial bank equal to 10% of the order value valid for 15 months from the date of purchase order. Upon furnishing the Performance Bank Guarantee of first order, the EMD of the selected bidder shall be returned.

If extended for 4 years, accordingly PBG shall be extended or resubmit by the bidder.

The Performance Bank Guarantee shall act as a security deposit and either in case the selected bidder is unable to start the project within the stipulated time or start of the project is delayed inordinately beyond the acceptable levels, the Bank reserves the right to forfeit the same.

Further, the Bank reserves the right to invoke the Performance Bank Guarantee in case the Selected bidder is not able to fulfill any or all conditions specified in the document or is unable to complete the project within the stipulated time. This is independent of the LD on Delivery and installation.

5.3 Installation and commissioning

5.3.1 Bidder has to commission the links at DC and DR within 4 weeks and all other links within 8 weeks from the date of acceptance of purchase order. In short, the entire project shall be implemented within 8 weeks from the date of acceptance of Purchase Order. Order will be deemed accepted from 7th day of PO date, in case vendor do not convey formal acceptance to Bank.

5.3.2 If the site is not ready due to reasons not attributed to the video, no penalty will be levied by the Bank.

5.3.3 If link may require to be shifted new location an onetime cost of Rs. 10,000/- will be payable for the same, which includes dismantling & shifting of network equipment related for the link and recommissioning of network

link at new location. Shifting of link will be completed within 4 week from date of PO for shifting the link.

5.4 Payment Terms

Bank will make the payment subject to signing of the contract as follows:

- 5.4.1 The initial period will be for 1 year. However same will be extended for 4 years based on performance basis. The Bidder have to charge the link charges quarterly in arrears on per-link basis based on the achievement of SLAs defined in the document. The bidder should submit the link-wise uptime achieved to enable the Bank to pay quarterly charges.
- 5.4.2 One time cost, if any, will be paid after successful commissioning of the link and acceptance by the bank. Bidder should raise the invoice for one time charges on monthly basis.
- 5.4.3 Bidder should raise invoices after deducting the applicable penalties i.e. SLA, extended, etc.
- 5.4.4 The charges per location will begin from the date of acceptance of the link. The service provider should submit the installation and commissioning certificate signed by the Bank's official certifying successful completion of installation and commissioning for the payment.

5.5 Price

The cost of network link must include rental charges of network equipment's e.g modem, repeater, etc. required to be terminated the link at CPE Ethernet interface. The Price Bid also must include all applicable taxes such as Sales/Service/VAT / Waybill etc. The Octroi /Entry Tax will be paid extra, wherever applicable on submission of actual Tax receipt.

The Selected bidder is required to guarantee that exchange rate fluctuations, changes in import duty and other taxes will not affect the Rupee value of the commercial bid, over the validity period of the bid. The prospective service provider shall establish the MPLS-VPN Network and should be capable of maintaining it for a minimum period of 1 years initially and then subsequent extension for 4 years based on performance basis.

The Bank further reserves the right to reject any or all offers based on its own evaluation of the offers received, or on the basis of stability, capabilities, track records, reputation among users and other similar features of a Selected bidder.

Prices quoted by the selected bidder shall be in Indian Rupees, firm and not subject to any price escalation, if the order is placed within the validity period. Further, subsequent to the orders being placed/agreement

executed, the selected bidder shall pass on to the Bank all fiscal benefits arising out of reductions in Government levies viz. Sales tax, excise duty, custom duty, etc.

5.6 SLA for Network

The table below specifies the end-to-end link uptime matrix.

Sl.	Link category	Uptime (24X7 basis)
1	DC DR Link	99.9%
2	All Other links	99.5%

The round trip delay of the network at any time should not be more than 70 msec (average) with 50% link utilization and packet drop should be less than 0.01%. In case of high latency, it will be responsibility of the Service provider to rectify the latency either by replacing the local pair or by other similar measures to contain latency within the stipulated limits.

5.7 Payment against delivery of SLAs :

Bank will pay charges on per site basis depending upon the achievement of uptime. However bank issues will be exempted from calculating the uptime.

Uptime	% of payment of link	Uptime	% of payment of link
Backhaul link		Branches	
99.9% or more	100%	99.5% or more	100%
>99.5% to <=99.9%	90%	>98% to <=99.49	90%
>99.5% to <=99.7%	80%	>97% to <=98.99	80%
>99.3% to <=99.5%	70%	>96% to <=97.99	70%
>99.0% to <=99.3%	60%	>95% to <=96.99	60%
Less than 99%	Nil	Less than 95%	Nil

There should have no unplanned downtime of more than 30 minutes during the peak business period (9 AM to 9 PM) and more than one hour during non-business hours.

Calculation of uptime will be monthly basis as per following criteria.

$$\% \text{ of uptime} = \frac{[\text{Total Business hours (24X7 basis) in month} - \text{Total downtime during business hours (24X7 basis) in month}] \times 100}{[\text{Total Business hours (24X7 basis) in month}]}$$

Bank may monitor the links by its own tool for uptime along with Service provider. In case of difference in uptime, Bank may consider the payment based on report generated by Bank's tool, if bidder is unable to justify the difference.

Following will be excluded while calculating the down time:

- Down time due to Bank issues.
- Schedule down time for maintenance activity. Bidder need to inform to the Bank at least a week before for the schedule down time and for urgent situation at least 24 hours before.
- Down time due to force measure like Earth quake, Natural calamities, Riots and major power outage.

5.8 Liquidated Damage

Any delay in commissioning/shifting of the link beyond the mentioned time, Bank will charge penalty at 1 % of the order value for that link (link by link basis) per week or part thereof, subject to a maximum of 10%. The bank may at its discretion also waive or reduce the penalty if the reasons for delay are considered to be justified.

If Bidder fail to commission the link as per feasibility report 10% of the link cost will be deducted from payment of other link or from Performance Bank Guarantee.

5.9 Force Majeure

Force Majeure is herein defined as any cause, which is beyond the control of the selected bidder or the Bank as the case may be which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance, such as:

- Natural phenomenon, including but not limited to floods, droughts, earthquakes, epidemics,
- Situations, including but not limited to war, declared or undeclared, priorities, quarantines, embargoes,
- Terrorist attacks, public unrest in work area,

Provided either party shall within ten (10) days from the occurrence of such a cause notify the other in writing of such causes. The Selected bidder or the Bank shall not be liable for delay in performing his / her obligations resulting from any Force Majeure cause as referred to and / or defined above.

5.10 Completeness of the Project

The project will be deemed as incomplete if the desired objectives of the project as mentioned in Section "Scope of Work" of this document are not achieved.

5.11 Acceptance Testing

The Bank will carry out the acceptance tests for testing of successfully integration of this MPLS link with Bank network as per scope of work in Part IV. The Vendor shall assist the Bank in all acceptance tests to be carried out by the Bank. The provisioned items will be deemed accepted only on successful acceptance of those products and the vendor would need to provision insurance of those items till successful acceptance. The Bank at it's' discretion may modify, add or amend the acceptance tests which then will have to be included by the vendor. The Vendor shall arrange for the tests at the relevant sites in the presence of the officials of the Bank. The Vendor should ensure that the tests will involve trouble-free operation of the complete system apart from physical verification and testing and that there shall not be any additional charges payable by the Bank for carrying out this acceptance test.

In case of any discrepancy, the Bank reserve the right to terminate the entire agreement in case the bidder does not rectify the issue and the bidder shall take back bidder equipment (if any) at bidder's costs and risks. The Bank have the right to reject the 'Vendor Supplied Link' and to seek free replacement of the link till the completion of acceptance test and obtaining final acceptance certificate from the Bank.

5.12 Order Cancellation

The Bank reserve its right to cancel the order in the event of one or more of the following situations, that are not occasioned due to reasons solely and directly attributable to the Bank alone:

- Delay in commissioning / implementation / testing beyond the specified period.
- Serious discrepancy in the quality of service expected during the implementation, rollout and subsequent maintenance process.
- In case of cancellation of order, any payments made by the Bank to the Vendor would necessarily have to be returned to the Bank, further the Vendor would also be required to compensate the Bank for any direct loss suffered by the Bank due to the cancellation of the contract/purchase order and any additional expenditure to be incurred by the Bank to appoint any other Vendor. This is after repaying the original amount paid.

- Vendor should be liable under this section if the contract/ purchase order has been cancelled in case sum total of penalties and deliveries equal to exceed 10% of the TCO.
- Please also refer 5.19 herein below.

5.13 Indemnity

Vendor shall indemnify, protect and save the Bank and hold the Bank harmless from and against all claims, losses, costs, damages, expenses, action suits and other proceedings, (including reasonable attorney fees), relating to or resulting directly or indirectly from (i) an act or omission of the Vendor, its employees, its agents, or employees of the consortium in the performance of the services provided by this contract, (ii) breach of any of the terms of this RFP or breach of any representation or warranty by the Vendor, (iii) use of the deliverables and or services provided by the Vendor, (iv) infringement of any patent, trademarks, copyrights etc. or such other statutory infringements in respect of all components provided to fulfil the scope of this project. Vendor shall further indemnify the Bank against any loss or damage to the Bank premises or property, loss of life, etc., due to the acts of the Vendor's employees or representatives. The Vendor shall further indemnify the Bank against any loss or damage arising out of claims of infringement of third-party copyright, patents, or other intellectual property, and third-party claims on the Bank for malfunctioning of the equipment or software or deliverables at all points of time, provided however, (i) the Bank notify the vendor in writing immediately on becoming aware of such claim, (ii) the Vendor has sole control of defence and all related settlement negotiations, (iii) the Bank provides the Vendor with the assistance, information and authority reasonably necessary to perform the above, and (iv) the Bank does not make any statement or comments or representations about the claim without prior written consent of the Vendor, except under due process of law or order of the court. It is clarified that the vendor shall in no event enter into a settlement, compromise or make any statement (including failure to take appropriate steps) that may be detrimental to the Bank (and/or its customers, users and service providers) rights, interest and reputation. Vendor shall be responsible for any loss of life, etc, due to acts of Vendor's representatives, and not just arising out of gross negligence or misconduct, etc., as such liabilities pose significant risk.

Vendor should take full responsibility for its and its employee's actions.

The vendors should indemnify the Bank (including its employees, directors or representatives) from and against claims, losses, and liabilities arising from:

- Non-compliance of the vendor with Laws / Governmental Requirements

- IP infringement
- Negligence and misconduct of the Vendor, its employees, and agents
- Breach of any terms of RFP, Representation or Warranty
- Act or omission in performance of service.

Indemnity would be limited to court; tribunal or arbitrator awarded damages and shall exclude indirect, consequential and incidental damages. However indemnity would cover damages, loss or liabilities suffered by the Bank arising out of claims made by its customers and/or regulatory authorities.

The vendor shall not indemnify the Bank for

- (i) Any loss of profits, revenue, contracts, or anticipated savings or
- (ii) Any consequential or indirect loss or damage however caused, provided that the claims against customers, users and service providers of the Bank would be considered as a "direct" claim.

5.14 Publicity

Any publicity by the Selected bidder in which the name of the Bank is to be used should be done only with the explicit written permission of the Bank.

5.15 Privacy & Security Safeguards

The Selected bidder shall not publish or disclose in any manner, without the Bank's prior written consent, the details of any security safeguards designed, developed, or implemented by the Selected bidder under this contract or existing at any Bank location. The Selected bidder shall develop procedures and implementation plans to ensure that IT resources leaving the control of the assigned user (such as being reassigned, removed for repair, replaced, or upgraded) are cleared of all Bank data and sensitive application software. The Selected bidder shall also ensure that all subcontractors who are involved in providing such security safeguards or part of it shall not publish or disclose in any manner, without the Bank's prior written consent, the details of any security safeguards designed, developed, or implemented by the Selected bidder under this contract or existing at any Bank location.

5.16 Technological Advancements

The Selected bidder shall take reasonable and suitable action, taking into account economic circumstances, at mutually agreed increase / decrease in charges, and the Service Levels, to provide the Services to the

Bank at a technological level that will enable the Bank to take advantage of technological advancement in the industry from time to time.

5.17 Guarantees

Selected bidder should guarantee that all the material as deemed suitable for the delivery and management of the Installation, Commission and Maintenance of This MPLS link scope as defined under this document, are licensed and legal. All hardware and software must be supplied with their original and complete printed documentation.

5.18 Resolution of Disputes

The Bank and the supplier Vendor shall make every effort to resolve amicably, by direct informal negotiation between the respective project directors of the Bank and the Vendor, any disagreement or dispute arising between them under or in connection with the contract.

If the Bank project director and Vendor project director are unable to resolve the dispute after thirty days from the commencement of such informal negotiations, they shall immediately refer the dispute to the senior authorised personnel designated by the Vendor and Bank respectively.

If after thirty days from the commencement of such negotiations between the senior authorised personnel designated by the Vendor and Bank, the Bank and the Vendor have been unable to resolve amicably a contract dispute, either party may require that the dispute be referred for resolution through formal arbitration.

All questions, disputes or differences arising under and out of, or in connection with the contract or carrying out of the work whether during the progress of the work or after the completion and whether before or after the determination, abandonment or breach of the contract shall be referred to arbitration by a sole Arbitrator: acceptable to both parties OR the number of arbitrators shall be three, with each side to the dispute being entitled to appoint one arbitrator. The two arbitrators appointed by the parties shall appoint a third arbitrator who shall act as the chairman of the proceedings. The award of the Arbitrator shall be final and binding on the parties. The Arbitration and Conciliation Act 1996 or any statutory modification thereof shall apply to the arbitration proceedings and the venue of the arbitration shall be Kolkata.

If a notice has to be sent to either of the parties following the signing of the contract, it has to be in writing and shall be first transmitted by facsimile transmission by postage prepaid registered post with

acknowledgement due or by a reputed courier service, in the manner as elected by the Party giving such notice. All notices shall be deemed to have been validly given on (i) the business date immediately after the date of transmission with confirmed answer back, if transmitted by facsimile transmission, or (ii) the expiry of five days after posting if sent by registered post with A.D., or (iii) the business date of receipt, if sent by courier.

This RFP document shall be governed and construed in accordance with the laws of India. The courts of Kolkata alone and no other courts shall be entitled to entertain and try any dispute or matter relating to or arising out of this RFP document. Notwithstanding the above, the Bank shall have the right to initiate appropriate proceedings before any court of appropriate jurisdiction, should it find it expedient to do so.

5.19 Exit Option and Contract Re-Negotiation

The Bank reserves the right to cancel the contract in the event of happening one or more of the following Conditions:

- Failure of the Selected bidder to accept the contract / purchase order and furnish the Performance Guarantee within 30 days of receipt of purchase contract;
- Delay in offering link;
- Delay in commissioning link beyond the specified period;
- Delay in completing commissioning / implementation and acceptance tests / checks beyond the specified periods;
- Serious discrepancy in link noticed during the testig;
- Serious discrepancy in functionality to be provided or the performance levels agreed upon, which have an impact on the functioning of the Bank.
- Serious discrepancy in completion of project.
- Serious discrepancy in maintenance of project.

In addition to the cancellation of purchase contract, Bank reserves the right to appropriate the damages through encashment of Bid Security / Performance Guarantee given by the Selected Bidder.

The Bank will reserve a right to re-negotiate the price and terms of the entire contract with the Selected Bidder at more favourable terms in case such terms are offered in the industry at that time for projects of similar and comparable size, scope and quality.

The Bank shall have the option of purchasing the equipment from third-party suppliers, in case such equipment is available at a lower price and the Selected Bidder's offer does not match such lower price. Notwithstanding the foregoing, the Selected Bidder shall continue to have the same obligations as contained in this scope document in relation to such equipment procured from third-party suppliers.

As aforesaid the Bank would procure the equipment from the third party only in the event that the equipment was available at more favourable terms in the industry, and secondly,

The Equipment procured here from third parties is functionally similar, so that the Selected Bidder can maintain such equipment.

The modalities under this right to re-negotiate /re-procure shall be finalized at the time of contract finalization.

Notwithstanding the existence of a dispute, and/or the commencement of arbitration proceedings, the Selected Bidder will be expected to continue the services. The Bank shall have the sole and absolute discretion to decide whether proper reverse transition mechanism over a period of 6 to 12 months, has been complied with. In the event of the conflict not being resolved, the conflict will be resolved through Arbitration.

The Bank and the Selected Bidder shall together prepare the Reverse Transition Plan. However, the Bank shall have the sole decision to ascertain whether such Plan has been complied with.

Reverse Transition mechanism would typically include service and tasks that are required to be performed / rendered by the Selected Bidder to the Bank or its designee to ensure smooth handover and transitioning of Bank's deliverables, maintenance and facility management.

5.20 Corrupt and Fraudulent Practices

As per Central Vigilance Commission (CVC) directives, it is required that Bidders / Suppliers / Contractors observe the highest standard of ethics during the procurement and execution of such contracts in pursuance of this policy:

"Corrupt Practice" means the offering, giving, receiving or soliciting of anything of values to influence the action of an official in the procurement process or in contract execution AND

"Fraudulent Practice" means a misrepresentation of facts in order to influence a procurement process or the execution of contract to the detriment of the Bank and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Bank of the benefits of free and open competition.

The Bank reserves the right to reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

The Bank reserves the right to declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if at any time it determines that the firm has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

5.21 Termination

The Bank shall be entitled to terminate the agreement with the Selected bidder at any time by giving ninety (90) days prior written notice to the Selected bidder.

The Bank shall be entitled to terminate the agreement at any time by giving notice if:

- The Selected bidder breaches its obligations under the scope document or the subsequent agreement and if the breach is not cured within 30 days from the date of notice.
- The Selected bidder (i) has a winding up order made against it; or (ii) has a receiver appointed over all or substantial assets; or (iii) is or becomes unable to pay its debts as they become due; or (iv) enters into any arrangement or composition with or for the benefit of its creditors; or (v) passes a resolution for its voluntary winding up or dissolution or if it is dissolved. The Selected bidder shall have right to terminate only in the event of winding up of the Bank.

In the event of termination of the Contract due to any cause whatsoever, [whether consequent to the stipulated term of the Contract or otherwise], UCO BANK shall be entitled to impose any such obligations and conditions and issue any clarifications as may be necessary to ensure an efficient transition and effective business continuity of the Service(s) which the selected Vendor shall be obliged to comply with and take all available steps to minimize loss resulting from that termination/breach, and further allow the next successor Vendor to take over the obligations of the erstwhile Vendor in relation to the execution/continued execution of the scope of the Contract.

Bank shall have the right to initiate appropriate proceedings before any court of appropriate jurisdiction, should it find it expedient to do so.

5.22 Effect of termination

The Selected bidder agrees that it shall not be relieved of its obligations under the reverse transition mechanism notwithstanding the termination of the assignment.

Reverse Transition mechanism would typically include service and tasks that are required to be performed / rendered by the Selected bidder to the Bank or its designee to ensure smooth handover and transitioning of Bank's deliverables and maintenance.

Same terms (including payment terms) which were applicable during the term of the contract/ purchase order should be applicable for reverse transition services.

The Selected bidder agrees that after completion of the Term or upon earlier termination of the assignment the Selected bidder shall, if required by the Bank, continue to provide maintenance services to the Bank at no less favorable terms than those contained in this scope document. In case the bank wants to continue with the Selected bidder's services after the completion of this contract/ purchase order then the Selected bidder shall offer the same or better terms to the bank. Unless mutually agreed, the rates shall remain firm.

The Bank shall make such prorated payment for services rendered by the Selected bidder and accepted by the Bank at the sole discretion of the Bank in the event of clause of termination, provided that the Selected bidder is in compliance with its obligations till such date. However, no payment for "costs incurred, or irrevocably committed to, up to the effective date of such termination" will be applicable to Selected Bidder. There shall be no termination compensation payable to the Selected bidder.

Termination shall not absolve the liability of the Bank to make payments of undisputed amounts to the Selected bidder for services rendered till the effective date of termination. Termination shall be without prejudice to any other rights or remedies a party may be entitled to hereunder or at law and shall not affect any accrued rights or liabilities or either party nor the coming into force or continuation in force of any provision Selected Bidder hereof which is expressly intended to come into force or continue in force on or after such termination.

5.23 Arbitration

All dispute or differences whatsoever arising between the Selected bidder and the Bank out of or in relation to the construction, meaning and operation, with the Selected bidder, or breach thereof shall be settled amicably. If, however, the parties are not able to resolve any dispute or difference aforementioned amicably, the same shall be settled by arbitration in accordance with the Rules of Arbitration of the Indian Council of Arbitration and the award made in pursuance thereof shall be binding on the parties. The Arbitrator / Arbitrators shall give a reasoned award.

Work under the Contract shall be continued by the Selected bidder during the arbitration proceedings unless otherwise directed in writing by the Bank unless the matter is such that the work cannot possibly be continued until the decision of the arbitrator or of the umpire, as the case may be, is obtained and save as those which are otherwise explicitly provided in the Contract, no payment due to payable by the Bank, to the Selected bidder shall be withheld on account of the ongoing arbitration proceedings, if any unless it is the subject matter or one of the subject matters thereof. The venue of the arbitration shall be at KOLKATA, INDIA.

5.24 Applicable law & Jurisdiction of court

The Contract with the Selected bidder shall be governed in accordance with the Laws of India for the time being enforced and will be subject to the exclusive jurisdiction of Courts at Kolkata (with the exclusion of all other Courts).

PROFORMA FOR PERFORMANCE GUARANTEE
(To be stamped in accordance with the stamp act)

1. In consideration of UCO BANK, a body corporate constituted under the Banking Companies (Acquisition & Transfer of Undertaking) Act, 1970, having its head office at 10 BIPLABI TRILOKYA MAHARAJ SARANI (BRABOURNE ROAD), Kolkata-700001 (hereinafter called "Purchaser") having agreed to exempt M/s **(Name of the Selected bidder Company)** a Company incorporated under the Companies Act, 1956 having its registered office at **(Address of the Selected bidder company)** (hereinafter called "SELECTED BIDDER") from the demand, under the terms and conditions of Purchaser's Letter of Intent bearing no.dated issued to the Vendor (hereinafter called "Purchase Order") in pursuance of Request For Proposal no. -----as modified, of security deposit for the due fulfillment by the VENDOR of the Terms and conditions contained in the Purchase Order, on production of a Bank Guarantee for Rs....(Rupees.... Only).

We,..... [indicate the name of the bank ISSUING THE BANK GUARANTEE] (hereinafter referred to as "Bank") at the request of [VENDOR] do hereby undertake to pay to Purchaser an amount not exceeding Rs.....against any loss or damage caused to or suffered or would be caused to or suffered by Purchaser by reason of any breach by the said VENDOR of any of the terms or conditions contained in the said Agreement.

2. We[indicate the name of the bank ISSUING THE BANK GUARANTEE] do hereby undertake to pay the amounts due and payable under this guarantee without any demur, merely on a demand from Purchaser stating that the amount claimed is due by way of loss or damage caused to or breach by the said VENDOR of any of the terms or conditions contained in the said Agreement or by reason of the VENDOR'S failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs.

3. We undertake to pay to Purchaser any money so demanded notwithstanding any dispute or disputes raised by the VENDOR in any suit or proceeding pending before any court or Tribunal relating thereto our liability under this present being absolute and unequivocal. The payment as made by us under this bond shall be a valid discharge of our liability for payment there under and the VENDOR for payment there under and the VENDOR shall have no claim against us for making such payment.

4. We, [indicate the name of the bank ISSUING THE GUARANTEE] further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said Agreement and that it shall continue to be enforceable till all the dues of BANK under or by virtue of the said have been fully paid and its claims satisfied or

discharged or till Purchaser certifies that the terms and conditions of the said Agreement have been fully and properly carried out by the said VENDOR and accordingly discharged this guarantee. Unless a demand or claim under this guarantee is made on us in writing on or before(Expiry of claim period), we shall be discharged from all liabilities under this guarantee thereafter.

5. We [Indicate the name of bank ISSUING THE GUARANTEE] further agree with Purchaser that Purchaser shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Agreement or to extend time of performance by the said VENDOR from time or to postpone for any time, or from time to time any of the powers exercisable by UCO BANK against the said VENDOR and to forebear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any variation, or extension being granted to the said VENDOR or for any forbearance, act or omission on the part of UCO BANK of any indulgence by UCO BANK to the said VENDOR or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. This guarantee will not be discharged due to the change in the constitution of the Bank or the VENDOR.

7. We, [Indicate the name of Bank ISSUING THE GUARANTEE] lastly undertake not to revoke this guarantee during its currency except with the previous consent of Purchaser in writing. Notwithstanding anything contained herein:

- i) Our liability under this Bank Guarantee shall not exceed Rs....(Rupees.....) only.
- ii) This Bank Guarantee shall be valid upto and
- iii) We are liable to pay the guaranteed amount or any part thereof under this Bank Guarantee only and only if you serve upon us a written claim or demand on or before

..... (date of expiry of Guarantee including claim period).

8. Dated the day of for [Indicate the name of Bank]

NOTE:

- 1. Selected vendor should ensure that the seal and CODE No. of the signatory is put by the bankers, before submission of the bank guarantee.
- 2. Bank guarantee issued by banks located in India shall be on a Non-Judicial Stamp Paper of requisite value as applicable to the place of execution.

Compliance Chart

Compliance chart for submitting RFP for Supply, Commissioning, Maintenance & Management of MPLS links at branches.

Sl No.	Particulars	Compliance Status (Yes / No)
1.	Are Technical & Commercial bid submitted under separate sealed envelopes?	
2.	Is the Technical bid made in conformity with as per Annexure H & J ?	
3.	Is the Commercial bid made in conformity with Commercial bill of Materials as per Annexure -I?	
4.	Whether Bill of Material with masking of price is mentioned in Technical offer document?	
5.	Whether Model No. & Bill of Material is mentioned in Commercial Bid document?	
6.	Are the Technical & Commercial Bids organized properly?	
7.	Are all the pages numbered properly and signed and stamped.	
8.	Is EMD submitted?	
9.	Duly signed Annexure -C, E,F, is enclosed	
10.	Is the softcopies of the response of Technical Commercial RFP submitted in separate CDs?	
11.	Are document in support of all eligibility criteria submitted?	
12.	Are your solution complied with all Scope of work in Part IV including Annexure G?	

The Deputy General Manager (IT & BTB)
UCO Bank,

To
UCO BANK,
Department of Information Technology,
5th Floor, 3 & 4 DD Block,
Sector-I, Salt Lake,
Kolkata - 700064

Dear Sirs,

In response to your invitation to respond to your RFP for Supply, Commissioning, Maintenance & Management of MPLS links at branches, M/s having their registered office at (hereinafter called the "Bidder") wish to respond to the said Request for Proposal (RFP) for self and other associated bidders and submit the proposal for Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank and to provide related services as listed in the RFP document. Whereas the "Bidder" has submitted the proposal in response to RFP, we, the _____ Bank having our Head office _____ hereby irrevocably guarantee an amount of ₹ 20,00,000/- (Rupees Twenty Lacks only) as bid security as required to be submitted by the "Bidder" as a condition for participation in the said process of RFP.

The Bid security for which this guarantee is given is liable to be enforced/invoked:

1. If the Bidder withdraws his proposal during the period of the proposal validity; or
2. If the Bidder, having been notified of the acceptance of its proposal by the Bank during the period of the validity of the proposal fails or refuses to enter into the contract in accordance with the Terms and Conditions of the RFP or the terms and conditions mutually agreed subsequently.

We undertake to pay immediately on demand to UCO Bank the said amount of Rupees Five Lacks without any reservation, protest, demur, or recourse. The said guarantee is liable to be invoked/ enforced on the happening of the contingencies as mentioned above and also in the RFP document and we shall pay the amount on any Demand made by UCO Bank which shall be conclusive and binding on us irrespective of any dispute or difference raised by the bidder.

Notwithstanding anything contained herein:

1. Our liability under this Bank guarantee shall not exceed ₹ 20, 00,000/- (Rupees Twenty lacks only).
2. This Bank guarantee will be valid upto201...; and

3. We are liable to pay the guarantee amount or any part thereof under this Bank guarantee only upon service of a written claim or demand by you on or before201....

In witness whereof the Bank, through the authorized officer has sets its hand and stamp on this day of at.

Yours faithfully,

For and on behalf of

_____ Bank.

Authorised official.

(NB : This guarantee will require stamp duty as applicable and shall be signed by the official whose signature and authority shall be verified. The signatory shall affix his signature, name and designation).

Annexure –E

Proforma of letter to be given by all the Bidder participating in the UCO Bank Supply, Commissioning, and Maintenance & Management of MPLS links at branches RFP on their official letterheads.

To
The Deputy General Manager (IT & BTD)
UCO Bank
Head Office-2

Sir,

Sub: Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank

Further to our proposal dated, in response to the Request for Proposal (Bank's tender No. hereinafter referred to as "**RFP**") issued by UCO Bank, we hereby covenant, warrant and confirm as follows:

The soft-copies of the proposal submitted by us in response to the RFP and the related addendums and other documents including the changes made to the original tender documents issued by the Bank, conform to and are identical with the hard-copies of aforesaid proposal required to be submitted by us, in all respects.

We hereby confirm that we are agreeable to provide services as per SLA for a period of 1 years, extendable by another 4 years on base of performance. All the Annexure with other Technical documents duly filled in and signed are enclosed. We understand that the Bank is not bound to accept the offer either in part or in full and that the Bank has right to reject the offer in full or in part without assigning any reasons whatsoever.

The price quote in the commercial template in Annexure I valid for a period of 1 year from the date of RFP response process closes.

Yours faithfully,

Authorised Signatory

Proforma of letter to be given by all the Bidder participating in the UCO Bank Supply, Commissioning, Maintenance & Management of MPLS links at branches on their official letter-head.

To,
The Deputy General Manager (IT, BRP & BTD)
UCO Bank
Head Office-2

Sir,

Sub: Supply, Commissioning, Maintenance & Management of MPLS links at branches for UCO Bank

Further to our proposal dated, in response to the Request for Proposal (Bank's tender No. hereinafter referred to as "RFP") issued by UCO Bank on behalf we hereby covenant, warrant and confirm as follows:

We hereby agree to comply with all the terms and conditions / stipulations as contained in the RFP and the related addendums and other documents including the changes made to the original tender documents if any, issued by the Bank. The Bank is not bound by any other extraneous matters or deviations, even if mentioned by us elsewhere either in our proposal or any subsequent deviations sought by us, whether orally or in writing, and the Bank's decision not to accept any such extraneous conditions and deviations will be final and binding on us.

Yours faithfully,

Authorized Signatory
Designation
Bidder's corporate name

Technical Requirements

SL. No.	Technical requirement	Yes/No
1	Bidder should provide MPLS feasibility report for 500 branches as per list mentioned in Annexure J. The links will be used either primary or back up of existing MPLS links of BSNL/MTNL.	
2	Bank prefers wired connectivity (fibre/copper) as last mile at branches. In case of non-feasibility of wired media, the Bank shall consider the stable wireless technology (RF / WIMAX) with licensed band that has been successfully implemented in private/public sector bank/Financial Institution/ Govt. of India.	
3	If the last mile is on wireless, bidder has to ensure that no other Radio equipment causes interference to wireless signals used for Bank's connectivity. And the Radio equipment should not be able to trap the signals used for bank's network.	
4	The wireless links should not be of following technology Mobile network technology i.e. 4G, 3G, GPRS, EDGE & CDMA and VSAT network technology. Further, any un-licensed band wireless link will not be considered.	
5	For the pole to be installed in the branch roof top for Wireless link, the height of pole should not be more than 6 meters.	
6	Bidder should take necessary landlord permission (if required) for installation of outdoor unit, in case of wireless link.	
7	If selected, the bidder shall have to provide the MPLS link in respective branches as per the feasibility report to be submitted along with RFP. Any deviation e.g. wired to wireless, increase in pole height, declared as non-feasible, etc. from the feasibility report will not be accepted. Selected bidder shall be penalised for the deviation.	

8	In order to deliver more links on wire media, the bidder can avail third party network infrastructure other than M/s BSNL & M/s. MTNL at last mile network. However the ownership, SLA maintenance, data security & confidentiality of the network links have to be ensured by the bidder. The total responsibility of Liaising, commissioning, maintaining the link including all the commercials involved should be taken care by the bidder.	
9	The MPLS network of bidder should not be linked with any type of network from BSNL/MTNL at core / distribution / access level at any location.	
10	The backhaul link to be terminated at Bank's data centre at Bangalore & Disaster Recovery Center at Kolkata should be of Optical Fibre media with self-healing ring based architecture. The last mile should be coming via two different physical paths	
11	The connectivity provided by the bidder has to be Layer 3 MPLS solution on dedicated ports with 1:1 full duplex committed information rate with end point as Ethernet. The circuit should be available in full duplex mode with sending and receiving available on the same circuit. (For eg. - On a 128 Kbps circuit, 128 Kbps sending and 128 Kbps receiving should be possible simultaneously)	
12	Selected bidder shall provide committed bandwidth at each location and make it available continuously. Bidder should ensure that committed bandwidth subscribed by Bank is always available for use. Bank may test the load on the links on time to time. In case of bandwidth subscribed by the branch is not available at any time, the duration of non-availability of committed bandwidth will be treated as downtime of the link. Penalty on downtime will be enforced accordingly.	

13	A separate VPN is to be created only for Bank network and in no way the VPN should be shared with other customers sharing the MPLS backbone. Bank MPLS Network must be accessible to Bank nodes only. Bank has implemented IPSEC VPN in its existing network. Bank will also run IPSEC VPN on this MPLS link from MNSP and there should not be any dependency from MNSP on this implementation while integrating their MPLS network. Further, there should not be any dependency on the service provider if Bank decides to implement other VPN variants like GETVPN, DMVPN or any such technology.	
14	The initial bandwidth of each MPLS link at branch end should be 128 Kbps according to the bandwidth of existing primary MPLS links as mentioned in Annexure -J. The bandwidth must be capable of upgrading at a later stage as and when required by the bank.	
15	Bank may enhance the bandwidth of a particular link on demand basis.	
16	The bandwidth of backhaul link is factored as 30 Mbps and bidder to quote the cost the same in commercial bid. However order for backhaul links will be placed based on 50% bandwidth of total bandwidth of MPLS links provided by bidder.	
17	The MPLS VPN network of bidder should be fully isolated from Internet traffic even if running on the same core/backbone. It is desired that same PE Router does not run both customer MPLS VPN traffic and Internet traffic. The MPLS-VPN network offered to the Bank should not carry any internet routes. Service provider has to provide network topology showing how internet is provided on MPLS cloud.	
18	Branches connected through bidder MPLS should communicate each other directly without coming to Data Centre i.e. any to any communication.	

19	Bidder needs to have a co-ordination with the existing system integrator M/s HP for integrating with present system for the branches to function smoothly.	
20	Bank desires to subscribe MPLS connectivity for the branches / offices across the country; hence the selected bidder should work seamlessly throughout the country.	
21	The bidders are expected to do a site survey for feasibility and for positioning of the terminating equipment. They should clearly state the equipment that will be deployed with its physical, electrical and any other related equipment. The charges towards cabling & other activities should be included in the cost at link.	
22	Any extra material required for the project execution not mentioned in the commercial bid, shall be supplied and deployed by the bidder at no extra cost to Bank.	
23	Bidder must ensure that it will use products that are intrinsically safe and are approved for use in these locations. It must adhere to Government of India safety regulation and should use earthing for all its masts.	
24	Bidder will monitor the links and Bidder must have own Network Operation Centre for monitoring of the Network. Bidder will monitor all the links from their NOC through NMS and submit the reports like Uptime, Bandwidth utilization, Link error, latency, etc on monthly basis and as per the requirement. Bank will provide the SNMP access (read only) of the router for monitoring of the link.	
25	Beside monitoring from NOC, bidder should provide Manpower for monitoring links daily basis during 9 a.m to 9 p.m at UCO Bank NOC Centre as per following criteria.	

26	Bidder should log a call automatically in case of any issue without waiting for customer complain and should take the necessary action for restoration of the same. Bidder should also inform to Bank through mail or SMS.	
27	Supply, installation and configuration of WAN end equipment like modems, last mile equipment etc. would be done by bidder to provide the solution. IP address used on UCO bank end shall remain same as per the current schema implemented in UCO Bank at all the locations (which shall be shared to the successful bidder).	
28	The prospective service provider shall establish the MPLS-VPN Network and should be capable of maintaining it for a minimum period of 1 year initially and then subsequent extension for 4 years based on the performance. Any extension thereafter will be mutually agreed terms and conditions.	
29	The bidder shall keep the price valid for a period of 1 year from the date of RFP Response submission process closes. Bank may procure additional links during the period to meet it's business requirement.	
30	The proposed network by the bidder should support: a) All web and client –server based application b) Video Conferencing c) Voice over IP (VOIP) d) End to end QOS e) IPsec	
31	The MPLS VPN should support any to any connectivity and should be a closed user group for Bank and should not have any physical and logical interference with other customers of the Internet route/traffic	
32	The architecture used for the complete solution should be end to end enabled with layer-3 routing domain (end to end transparent layer-3 routing using static and dynamic routing)	

33	The solution should provide end to end transparent data reachability of data, voice, video etc (no filter of traffic from SP).	
34	The bidder should provide Ethernet connectivity over RJ45 interface to connect Bank's router to the MPLS network as well as at data centres. Cables with required interfaces have to be arranged by the bidder.	
35	Bidder should provision all equipment required to provide the wireless connectivity at branch/office for getting usable wireless signal strength i.e. internal/external cabling and antenna etc.	
36	Bidder has to replace/repair faulty/damaged equipment at the bidder's own cost, irrespective of the reason of fault/damage, during the contract period. However, the "force majeure" clauses will apply. In any case, the bidder will have to arrange for replacement of the faulty/defective equipment, asap. External antennas should have proper lightning conductors, wherever necessary.	
37	Bidder shall meet all the Govt. or other Regulatory directions/requirements and ensure its compliance.	
38	Latency should not be more than 70 ms (End to End) for a 1500 byte packet size measured for a minimum of 1000 packets.	
39	Average end to end packet loss should not be more than one in 1,000 for wireless connectivity with IMIX packets measured for a minimum of 1000 packets.	
40	Average Jitter of the connectivity should be less than 30ms measured for a minimum 1000 packets.	
41	Minimum MTU (maximum transmission unit) size should be 1500 bytes	
42	The connectivity should be capable of providing end to end Quality of Service (QoS) features which includes:	
43	End to end differentiated services code point (DSCP) and class of service (CoS) continuation	

44	Bidder should use Simple Network Management Protocol version 2 & 3 (SNMPv2 & v3) managed devices for end to end communication from the branch to data centre of Bank for the proposed wireless solution	
45	Bidder's network should support dynamic routing protocols like Open Shortest Path First (OSPF), Border Gateway Protocol (BGP) etc.	
46	Access control list (ACL) Support ,SNMPv2 & v3 support Network Time Protocol Version 4 (NTPv4), Syslog, Ping, Trivial File Transfer Protocol (TFTP) and Secure Shell version 2 (SSHv2) Internet Protocol version 6 (IPv6) support.	
47	The network of the bidder shall be capable of handling incidents like distributed denial of service (DDOS), Brute force attack etc.	
48	Bank and/or third party consultants hired by Bank should have rights to audit/review the whole setup of the bidder catering to Bank's application	
49	The proposed solution should be IPv4 and IPv6 compliant.	
50	Incident management: Prevention mechanism for mis-configuration, Alert mechanism should be in place for any incident occurred etc., Every incident reported should be notified to Bank and documented, System should have capability to send alerts through email and SMS to respective authorities/stakeholders.	
51	Network devices should be updated with latest firmware and security patches. Process for performing update should be maintained and approved by Bank	
52	In case of radio frequency (RF) connectivity, bidder may provide point to point or point to multi point connectivity on WiMAX, provided it adheres to the terms and conditions mentioned in the RFP, like committed bandwidth, security parameters etc.	

53	In future, if the bidder gets involved in Regulatory issues / Licensing issue with any Govt/Law enforcing agency/ Regulatory authorities , it is the responsibility of Bidder to replace / substitute the wire/wireless Technology at no additional cost to the Bank without compromising SLA and security.	
54	The service provider shall execute a) Service Level Agreement (SLA), which must include all the services and terms and conditions of the services to be extended as detailed herein, and as may be prescribed or recommended by the Payment will not be released in absence of above signed agreement.	
55	Security being prime concern, Solution should not breach the security of any other installations of Bank in any way.	
56	Bidder should have the facility to prevent DDOS attacks or other attacks on the MPLS link. Also to ensure that adequate protection on the MPLS link against any possible known security flaws will be taken care at their end.	
57	During the currency of the contract, the vendor should upgrade the system / offered Link, if better technology available at no additional cost.
