		<p>penalty amount 10% of annual link charges per link basis as per LD clause and Bank will place the order to any other selected bidder. The LD amount will be deducted from payment of other link or from Performance Bank Guarantee.</p> <p>If Bidder fails to commission the link as per feasibility report 10% of annual link charges per link cost will be deducted from payment of other link or from Performance Bank Guarantee. In no case change of category of link or type of media will be accepted. If the link is not commissioned / delayed commissioned, due to landlord permission issue for installation of outdoor unit or any other genuine reasons, then the LD will not be applicable. Respective Branch/office report will be final in this case.</p> <p>Bank will take necessary landlord permission (if required) for installation of outdoor unit. Bidder should co-ordinate / liason with landlord in the matter of obtaining permission.</p> <p>Please note that the above LD for delay in delivery and delay in commissioning are independent of each other and shall be levied as the case may be. BANK reserves its right to recover these amounts by any mode such as adjusting from any payments to be made by BANK to the bidder.</p>	<p>any or all MPLS links in branches, the order for such links will be deemed cancelled after imposing one year rental cost of said link as penalty amount. There should have no unplanned downtime of more than 30 minutes during the peak business period (9 AM to 9 PM) and more than one hour during non-business hours.

Calculation of uptime will be monthly basis as per following criteria.

$$\% \text{ of uptime} = \frac{[\text{Total Business hours (24X7 basis) in month} - \text{Total downtime during business hours (24X7 basis) in month}] \times 100}{[\text{Total Business hours (24X7 basis) in month}]}$$

Bank may monitor the links by its own tool for uptime along with Service provider. In case of difference in uptime, Bank may consider the payment based on report generated by Bank's tool, if bidder is unable to justify the difference.

Following will be excluded while calculating the down time:

Down time due to Bank issues.

Schedule down time for maintenance activity. Bidder need to inform to the Bank at least a week before for the schedule down time and for urgent situation at least 24 hours before.

Note:

1. In case of discrepancy between figures and words, the amount in words shall prevail.
2. Bidders should strictly quote in the format and for periods as mentioned above. No counter condition/assumption in response to commercial bid will be accepted. Bank has a right to reject such bid.
3. In the event the vendor has not quoted or mentioned any component or services required, for evaluation purposes the highest value in the submitted bids for that particular link type would be used to calculate the TCO. For the purposes of payment and finalization of the contract, the value of the lowest bid would be used.
4. **L1 bidder would be determined based on the total cost of ownership for each category of links.** Any decision of Bank in this regard shall be final, conclusive and binding on the bidder.
5. **The bidder with lowest commercial cost in Table – D, H, L after normalisation as mentioned above, if required, will be selected as L1 bidder separately for MPLS on**

Wire / Wireless, MPLS on 3G/4G, VSAT link categories of network connectivity respectively.

- 6. L1 will be declared separately in all the three mode of connectivity viz MPLS, 3G/4G and VSATs.**
- 7. Bidder need to factor manpower cost as per Scope of Work (SOW) point no. 4.24 and point no. 4.76.**
