## **Table DF-3: Credit Risk: General Disclosures for All Banks**

### **Qualitative Disclosure**

#### **a) Past Due and Impaired Accounts (for accounting purpose):**

In terms of Bank's NPA Management Policy duly approved by the Board of Directors, an asset is treated as Past due/impaired asset where –

- i. Interest and/or installment of principal remain overdue for a period of more than 90 days in respect of a term loan.
- ii. The account remains 'out of order' for a period of more than 90 days as given in para below, in respect of an overdraft/cash credit (OD/CC).
- iii. The bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted,
- iv. The installment of principal or interest thereon remains overdue for two crop seasons for short duration crops.
- v. The installment of principal or interest thereon remains overdue for one crop season for long duration crops.

An account is considered out of order when

- i. The outstanding balance remains continuously in excess of the sanctioned limit/drawing power; the account is treated as out of order.
- ii. The balance outstanding is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days or the credits are not sufficient to cover the interest debited.

#### **b) Bank's Credit Risk Management Policy:**

Bank's Credit Risk Management practices are based on policy directives duly approved by the Board which, inter-alia, encompasses the following:

- i. Credit Risk acquisition – strategies & policies,
- ii. Credit approval processes.
- iii. Credit Risk monitoring processes.
- iv. Credit Risk control processes.

Board of Directors has overall responsibility for management of Credit risk and Risk Management Committee of the Board is responsible for setting up guidelines for Credit Risk Management and reporting, ensuring that Credit Risk Management processes conform to the policy, setting up prudential limit and its periodical review and ensuring robustness of risk modules. Credit Risk Management Committee is responsible to deal with issues relating to Credit policy and procedures and to analyze monitoring and control credit risk on bank wide basis.

Credit Risk Management Department of the Bank enforces and monitors compliance of the risk parameters and prudential limits set by the Bank. They also lay down risk assessment system, monitor quality of loan portfolio, identify problems and correct deficiencies, develop MIS for the purpose including portfolio evaluation. Credit Risk Management Department is independent of Credit Processing & Credit Monitoring Departments.

As per bank's extant guidelines, Internal Credit Rating is required for advance accounts including MSME accounts having exposure above Rs. 25 lacs (other than Retail loans) and for Agriculture borrowers with exposure more than **Rs. 50.00 Lac.**

All loans & advances under MSME segments up to Rs.25.00 Lac, Agriculture segments up to Rs.50.00 Lac and all Retail Loans have been covered under Score card models.

The bank makes all possible efforts to mitigate risks associated with credit accounts through suitable collaterals or guarantors wherever it is considered feasible and desirable. In addition to that, terms and conditions under which credit is sanctioned also go a long way to mitigate risks associated with credit. Regular monitoring and control of accounts also add to the risk mitigation. In order to mitigate risk, the Bank has taken necessary cover for eligible accounts from Export Credit Guarantee Corporation and Credit Guarantee Fund Trust for Micro and Small Enterprises.
